Notice of Annual General Meeting

Explanatory Notes To Special Business:

1. Authority pursuant to Section 132D of the Companies Act, 1965

The proposed adoption of the Ordinary Resolution No. 1 is for the purpose of granting a renewed general mandate ("General Mandate"), and if passed, will empower the Directors of the Company, pursuant to Section 132D of the Companies Act, 1965, to issue and allot new shares in the Company from time to time provided that the aggregate number of shares issued pursuant to the General Mandate does not exceed 10% of the issued and paid-up share capital of the Company for the time being as the Directors may consider such action to be in the interest of the Company. The General Mandate, unless revoked or varied by the Company in a general meeting, will expire at the conclusion of the next Annual General Meeting of the Company.

The General Mandate will provide flexibility to the Company for allotment of shares for any possible fund raising activities, including but not limited to further placing of shares, for the purpose of funding future investment project(s), working capital and/or acquisition(s).

As at the date of this Notice, no new shares in the Company were issued pursuant to the mandate granted to the Directors at the Fifteenth Annual General Meeting of the Company held on 28 August 2009 and which will lapse at the conclusion of the Sixteenth Annual General Meeting.

2. Proposed Shareholders' Mandate for Recurrent Related Party Transactions of a Revenue or Trading Nature

The proposed adoption of the Ordinary Resolution No. 2 is to obtain the Shareholders' Mandate to enable the Group to enter into Recurrent Related Party Transactions of a Revenue or Trading Nature which are necessary for the Group's day-to-day operations, subject to the transactions being in the ordinary course of business and on normal commercial terms which are not more favourable to the related parties than those generally available to the public and are not to the detriment of the minority shareholders of the Company.

3. Proposed Amendments to the Articles of Association

The proposed adoption of the Special Resolution is to provide for the payment of dividend, interest or other money payable in cash, directly into the shareholders' account opened and maintained with a financial institution in Malaysia by way of electronic transfer.

Further information on the Proposed Shareholders' Mandate for Recurrent Related Party Transactions and Proposed Amendments to the Articles of Association are set out in the Circular to Shareholders of the Company which is despatched together with the Company's 2010 Annual Report.

Notice of Annual General Meeting

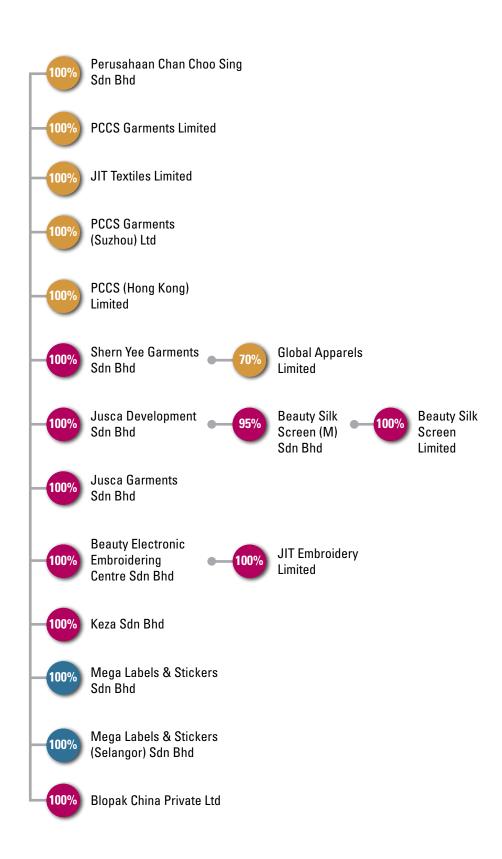

Notes:

- 1. Profile of Directors

CHAN CHOO SING

CHAN CHOO SING (Executive Chairman and Group Managing Director), a Malaysian, aged 56, was appointed to the Board of PCCS on 21 June 1995. Mr. Chan started his career when he ventured into a garment business known as Chan Trading in 1973. In 1981, he founded Perusahaan Chan Choo Sing Sdn. Bhd. ("PCCSSB"), a company primarily involved in the manufacturing of garments. His entrepreneurial skills and ability to recognize business and expansion opportunities have led to successful business ventures including the forming of a number of companies actively involved in the garment industry. PCCSSB and its associated companies were successfully listed on the Main Board of Bursa Malaysia Securities Berhad ("Bursa Securities") on 16 August 1995 as PCCS Group Berhad ("PCCS"). He was appointed as the Group Managing Director of PCCS in 1995.

In 1990, Mr. Chan ventured into the packaging business by founding Harta Packaging Industries Sdn. Bhd. ("Harta"). His sharp business acumen led to successful business ventures through the acquisition of shares in Harta Packaging Industries (Perak) Sdn. Bhd. in 1992, Fibre Pak (Malaysia) Sdn Bhd. in 1994 and Harta Packaging Industries (Malacca) Sdn. Bhd. in 1998. Harta was successfully listed on the Second Board of Bursa Securities on 30 May 1997 as HPI Resources Berhad ("HRB"). He is also the Executive Chairman of HRB since 8 April 1997.

During the period from 2001 to 2006, Mr. Chan was the Chairman of the Chinese Association in Parit Raja, Batu Pahat. He is the Honorary Member of the Rotary Club of Batu Pahat.

Mr. Chan also sits on the board of several private limited companies. He is a member of the Remuneration Committee of PCCS.

CHAN CHOW TEK

CHAN CHOW TEK (Executive Director), a Malaysian, aged 53, was appointed to the Board of PCCS on 21 June 1995. He leads all the marketing activities in the Group and has more than 30 years of experience in textile and apparel marketing and merchandising. He started his career in 1973 in marketing the products of Chan Trading to local departmental stores. In 1981, he successfully made the first export order for the company and has since brought the company's export sales to greater success. He is also responsible for the development and growth of the Group's garment business. His job includes keeping abreast with the latest development in the apparel and fashion industry by frequent overseas trips to identify new and potential markets. He was appointed to the board of HRB on 8 April 1997 and also sits on the board of several private limited companies.

CHAN CHOR NGIAK

CHAN CHOR NGIAK (Non-Independent Non-Executive Director), a Malaysian, aged 48, was appointed to the Board of PCCS on 21 June 1995. He started his career in 1980 assisting his father and brothers in marketing the products of Chan Trading to local departmental stores.

Mr. Chan Chor Ngiak is currently the Managing Director of HRB. He was appointed to the Board of HRB on 8 April 1997. He became directly involved with Harta when he took up the position as Marketing Manager. His passion in the packaging business drove Harta to new heights to become a leader of packaging business in Peninsular Malaysia within a short period of time. He was subsequently promoted to the position of Managing Director of HRB in May 1999, overseeing the Group's packaging business. His good inter-personal and negotiating skills has enabled him to aggressively penetrate and secure new customers from different types of industries.

Throughout his career in the industry, he has continually established connections with many business executives in the Chamber of Commerce and Associations. He is the Honorary Chairman of the Chinese Chamber of Commerce in Batu Pahat, the Chairman of the Chinese Association in Parit Raja, Batu Pahat, the Vice-Chairman of the Chinese Association in Johor State and a Committee Member of the Malaysian Corrugated Carton Manufacturers' Association. He also sits on the board of several private limited companies.

He is a member of the Audit Committee, Remuneration Committee and Nomination Committee of PCCS.

Profile of Directors

CHAN CHOR ANG

CHAN CHOR ANG (Non-Independent Non-Executive Director), a Malaysian, aged 47, was appointed to the Board of PCCS on 21 June 1995. He joined PCCSSB in 1981 and was transferred to Jusca Garments Sdn. Bhd. as the Factory Manager in 1985. He has more than 25 years of experience in the textile and garment industry. He is currently the Executive Director of HRB and was appointed to the Board of HRB on 8 April 1997. He was assigned to Harta as the Factory Manager in 1990. He later took charge of the training on production management, machine maintenance and productivity enhancement under various expatriate Technical Advisors from Hong Kong, Taiwan and China. Summary of Activities

The activities of the Audit Committee were primarily in accordance with its duties, as set out in its terms of reference. The main activities undertaken by the Audit Committee during the financial year were as follows:

- (i) Reviewed the quarterly results and financial statements prior to submission to the Board of Directors;
- (ii) Reviewed the internal auditor's scope of work and audit plan for the year;
- (iii) Reviewed the findings of the internal and external auditors and reported to the Board of Directors;
- (iv) Reviewed any related party transactions that may arise within the Group and to report, if any, transactions between the Group and any related party outside the Group which are not based on arms-length terms and on terms which are not favourable to the Group;
- (v) Reviewed the extent of the Group's compliance with the Listing Requirements of Bursa Securities on Corporate Governance and recommendations made to the Board on action plan to address the identified gaps between the Group's existing corporate governance practices and the prescribed corporate governance principles and best practices under the Malaysian Code on Corporate Governance; and
- (vi) Established and formalised Risk Management Framework and action plan to manage the risk identified on an ongoing process.

Internal Audit Function

The Group has outsourced its internal audit function to a professional services firm whose primary responsibility is to independently assess and report to the Board, through the Audit Committee, the systems of internal control of the Group.

Functions of the Internal Audit include a few major areas as follows:

- Perform regular review of operational compliance with the established internal control procedures and the risk
 profiles of the major business units of the Group. This does not include associated company where the Group has no
 control over the management of the Company.
- Conduct investigations on specific areas or issues as directed by the Audit Committee.
- Review the risk management processes.

The audit plan for the Group is presented to the Audit Committee for approval. All adverse findings and weaknesses noted during the audit visit are forwarded to management for its attention and further action. The report on the audit findings together with management's comments are reported to the Audit Committee on a quarterly basis. In this regard, the Board is pleased to report that there were no significant adverse findings during the financial year ended 31 March 2010 that would adversely affect the Group's reputation or financial position.

The total costs incurred for the internal audit function of the Group for the financial year was RM15,000.00.

Statement on Corporate Governance

The Board of Directors of PCCS is pleased to report on the manner in which the Principles and Best Practices of Corporate Governance are applied and the extent of compliance thereof as set out in Part I and Part 2 of the Malaysian Code on Corporate Governance (the Code) pursuant to paragraph 15.26 of the Listing Requirements (LR) of Bursa Malaysia Securities Berhad (Bursa Securities).

The policy of the Company is to achieve best practice in its standard of business integrity in all its activities.

The Board recognises the importance of practicing the highest standards of corporate governance throughout the Group as a basis of discharging their fiduciary duties and responsibilities to protect and enhance shareholders' value and performance of the Group.

In preparing this report, the Board has considered the manner in which it has applied the Principles of the Code and the extent of its compliance with the Best Practices of the Code.

THE BOARD OF DIRECTORS

Board Composition

The Board currently has seven (7) members comprising four (4) Non-Executive Directors (two (2) of whom are independent) and three (3) Executive Directors.

All Directors possess a wide range of business expertise, commercial and financial experience that is relevant to their roles in providing leadership and direction to the Group. A brief description on the background of the Directors is presented separately in this Annual Report.

The Executive Directors have direct responsibilities for business operations whereas the Non-Executive Directors have a responsibility to bring independent and objective judgement on Board decisions.

All Directors can have full access to information and are also entitled to obtain full disclosure by management on matters that are put forward to the Board for decisions to ensure that they are being discussed and examined in an impartial manner that takes into consideration the long term interests of shareholders, employees, customers, suppliers, and many communities in which the Group conducts its business.

The Directors have access to independent professional advice as well as the advice and services of the Company Secretary, who is responsible for ensuring the Board meeting procedures are followed and that applicable rules and regulations are complied with.

Directors' Training

All the Directors have attended the Mandatory Accreditation Training Programme (MAP) prescribed by Bursatra Sdn Bhd, the training arm of Bursa Securities. Directors are also aware of their duty to attend continuous education programmes. The Directors have attended seminars to keep themselves updated on the expectations of their roles and other market developments. During the financial year 2010, the seminar attended were Construction Contracts (FRS111), Property Development Activities (FRS201) & Borrowing Costs (FRS123) conducted by Malaysian Institute of Accountants and National Seminar on Taxation 2009 conducted by the Inland Revenue Officers' Union and Lembaga Hasil Dalam Negeri Malaysia.

SHAREHOLDERS

Disclosure between the Company and Analyst / Investors

Regular discussions were held among the Company's Executive Chairman and Group Managing Director, the Executive Directors, the Deputy Group General Manager and analyst/investors on the Group's performance and major developments. Price sensitive and any information that may be regarded as undisclosed material information about the Group is not disclosed until after the prescribed announcement had been submitted to Bursa Securities.

In addition, any other extensive information about the Company is available on http://www.pccsgroup.net/.

Annual General Meeting

The AGM is the principal form for dialogue with shareholders. Notice of the AGM and Annual Reports are sent out to shareholders at least 21 days before the date of the meeting.

At the AGM, besides the normal agenda, shareholders may raise questions pertaining to the business activities of the Group. The Executive Chairman and Group Managing Director will respond to shareholders' questions during the meeting.

For re-election of Directors, the Board ensures that full information is disclosed through the Annual Report regarding Directors who are retiring and offer to be re-elected. Each item of special business included in the notice of meeting will be accompanied by an explanatory statement for the proposed resolution to facilitate full understanding and evaluation of issues involved.

ACCOUNTABILITY AND AUDIT

Financial Reporting

In presenting the annual financial statements and quarterly announcements to shareholders, the Directors aim to present a balanced and understandable assessment of the Group's position and prospects. The Audit Committee assists the Board in scrutinizing information for disclosure to ensure accuracy and adequacy.

Internal Control

Information on the Group's internal control is presented in the Statement on Internal Control laid out on page 22 to 23 of this Annual Report.

Relationship with the Auditors

The Company maintains a professional and transparent relationship with the Auditors in seeking professional advice to ensure compliance with the accounting standards.

The Auditors will from time to time brief the Audit Committee and the Board on all relevant matters requiring the Audit Committee's and the Board's attention.

Compliances Statement

The only area of non-compliance with the Code is the recommended disclosure of details of the remuneration of each Director. At this point, the Board is of the view that the disclosure of the remuneration bands of the Directors is sufficient to meet the objectives of the Code.

Statement on Internal Control

INTRODUCTION

It is the requirement of the Malaysian Code on Corporate Governance that the Board of Directors should maintain a sound system of internal control to safeguard shareholders' investments and the Group's assets. The Board is committed to the Main Market Listing Requirements of Bursa Malaysia Securities Berhad and Statement on Internal Control: Guidance for Directors of Public Listed Companies, and is pleased to set out below its Statement on Internal Control which outlines the nature and scope of internal control of the Group during the year.

BOARD RESPONSIBILITY

The Board acknowledges its responsibility for maintaining a sound system of internal control and for reviewing its adequacy and integrity, including financial and operational controls, compliance with relevant law and regulations, and risk management to safeguard shareholders' investments and the Group's assets.

Due to the limitations that are inherent in any system of internal control, the Group's system of internal control is designed to manage, rather than eliminate the risk of failure to achieve corporate objectives. Accordingly, it only provides reasonable but not absolute assurance against material misstatement or loss.

CONTROL ENVIRONMENT AND STRUCTURE

The Board confirms that the Group has an adequate and conducive control environment for it to accomplish its business objectives. The Group's internal control system encompasses the Board and its various Board Committees with its specific terms of reference, executive management that is accountable for all its actions and also various monitoring and review procedures that is embedded in the Group's processes. The Board reviews these control processes regularly to ensure that an effective system of internal control is maintained within the Group.

The key elements of the Group's internal control system are described below:

- The Group has a well-defined organisational structure that is aligned to its business and operation requirement.
 Clearly defined lines of accountability, delegation of responsibility and level of authorisation for all aspects of the business have been laid down and communicated throughout the Group.
- Authority charts are established within the Group to provide a functional framework of authority in approving revenue and capital expenditure.
- The Group's performance is monitored through an integrated budgeting system which requires all material variances to be identified, discussed and resolved by management on a scheduled and ad-hoc basis.
- The Board reviews the Group's financial and operational performance quarterly, which analyses the Group performance with comparison against previous quarter and previous corresponding quarter.
- A comprehensive "Company Manual" is developed to foster long-lasting and harmonious working relationship among
 the employees and set out the rules and regulations to be adhered by the employees in performing their duties. The
 manual is regularly reviewed to incorporate the changes that will enhance working efficiency.
- "Health and Safety Manual" is developed to assist in maintaining a safe working environment for all employees.
- Regular Internal Quality Audit as specified by ISO 9001:2008 Quality Management System on certain subsidiaries.

Statement on Internal Control

RISK MANAGEMENT

The Board recognises that risk management is an integral part of the Group's business operations and that the identification and management of risks will affect the achievement of the Group's business objectives. To this end the Board has formalised for the Group a Risk Management Framework by implementing an on-going process for identifying, evaluating, monitoring and managing the significant risks affecting the achievement of its business objectives and has taken into account the guidance of the Malaysian Code on Corporate Governance.

During the financial year, Corporate Risk Profiling Exercise is carried out to re-affirm existing risks, identify new risk which may impact the key business processes; evaluate current controls and determine appropriate management action plans to manage the said risks.

Going forward, on-going process shall be carried out to ensure consistent application, effective functioning of the Risk Management Framework, continued relevance of the risk profile developed, and completion of the management action plan.

INTERNAL AUDIT FUNCTION

The Group has outsourced its internal audit function to a professional services firm to perform regular and systematic review of the internal control system of the Group and its subsidiaries. The Audit Committee acknowledges that an independent and adequately resourced internal audit function is required to provide assurance on the effectiveness of the system of the internal control in addressing the risks identified. The internal audit reports directly to the Audit Committee on a quarterly basis. The Audit Committee is chaired by an Independent Non-Executive Director and its members comprise of Non-Executive Directors.

The internal audit primarily acts as an assurance unit highlighting significant audit findings, areas for improvement, management comment on the audit findings and subsequently monitors the implementation of its recommended corrective actions.

CONCLUSION

For the financial year under review, the Board is of the opinion that the existing system of internal control is adequate to achieve the Group's business objectives so as to safeguard shareholders' investment and the Group's assets. The Board will continuously assess the adequacy of the Group's system of internal control and make improvements and enhancement to the system as and when necessary.

Statement of Directors' Responsibility In Relation to the Financial Statements

This statement is prepared in compliance with the Main Market Listing Requirements of Bursa Malaysia Securities Berhad.

The Directors are required to prepare financial statements which give a true and fair view of the state of affairs of the Group and the Company as at the end of each financial year and of their results and their cash flows for that year then ended.

The Directors consider that in preparing the financial statements:-

- the Group and the Company have used appropriate accounting policies that were consistently applied;
- · reasonable and prudent judgements and estimates were made; and
- all applicable approved accounting standards in Malaysia have been followed.

The Directors are responsible for ensuring that the Company maintains accounting records that disclose with reasonable accuracy the financial position of the Group and the Company, and which enable them to ensure that the financial statements comply with the Companies Act, 1965.

The Directors have general responsibilities for taking such steps that are reasonably available to them to safeguard the assets of the Group, and to prevent and detect fraud and other irregularities.

It is designed to deliver sustainable values to society at large.

The Group is committed to conduct its business activities in a socially, economically and environmentally sustainable manner and this is embodied in its Corporate Vision and Mission Statement.

We draw our employees from society and so everything we do with our employees need to be socially responsible, whether we are dealing with basic human rights or gender issues. Employees are expected to maintain the highest standards of integrity in all business relationships and dealings, and the Group is equaled, responsible and committed for the standard in its compliance with all applicable legal and regulatory requirements. We are also committed to ensure a healthy and safe work environment for the well being of our employees.

Chairman's Statement

On behalf of the Board of Directors, I am pleased to present the Annual Report and Audited Financial Statement of the Group and the Company for the financial year ended 31 March 2010.

FINANCIAL REVIEW

I am pleased to report that PCCS Group Bhd has performed satisfactorily for the financial year ended 31 March 2010, despite the challenging business environment preceded by the global economic downturn.

The Group made a net profit of RM7.8 million, a significant improvement from a net loss of RM17.2 million the previous financial year. Turnover was however lower at RM510.3 million as compared to RM595.2 million previously. Various measures implemented to improve production and operational efficiencies have contributed to the turnaround to profitability.

DIVIDEND

The Board does not recommend any dividend payment for the financial year ended 31 March 2010.

CORPORATE DEVELOPMENT

As at 30 June 2010, PCCS Group Berhad ("PCCS") has undertaken and completed the following transactions:

- On 6 November 2009, PCCS had incorporated a whollyowned subsidiary company in Hong Kong under the name of Roots Investment Holding Private Limited (ROOTS HK) via the subscription of 10,000 ordinary shares of HKD 1.00 each at par value by PCCS in ROOTS HK, representing 100% of the issued and paid-up share capital of ROOTS HK.
- 2. On 11 January 2010, Shern Yee Garments Sdn. Bhd. (Shern Yee), a wholly-owned subsidiary of PCCS, had entered into a Share Sale Agreement with Mr. Lim Wee Sern for the disposal of 100,000 Ordinary Shares of RM1.00 each in PCCS Mediserve Sdn. Bhd. (formerly known as PCCS Capital Sdn. Bhd.)(PCCS Mediserve), representing 100% of the total issued and paid-up share capital of PCCS Mediserve at a consideration of RM2.00. Consequent upon the above disposal, PCCS Mediserve ceased to be a whollyowned sub-subsidiary of PCCS.

CORPORATE DEVELOPMENT (CONT'D)

- 3. On 2 April 2010, PCCS had entered into a share sale agreement with Graham Packaging Co. LP (GPC) ("SSA") for the disposal of 10,000 ordinary shares of HKD1.00 each in Roots Investment Holdings Private Limited (RIH), representing the entire equity interest in RIH for an indicative disposal consideration of RMB166.0 million (equivalent to approximately RM81.34 million, based on an exchange rate of RMB1.00:RM0.49) (subject to adjustments as provided in the terms of the SSA) to be wholly satisfied by cash.
- 4. On 26 April 2010, PCCS had undertaken an internal restructuring involving two (2) of its subsidiary companies i.e. RIH and China Roots Packaging Pte Ltd (CRP).

GROUP PERFORMANCE REVIEW

Apparel Division

The apparel division contributed about 82% of the Group turnover. PCCS Group Bhd is an established supplier of apparel to well known worldwide brands like Puma, Adidas, United Benetton and many more. During the financial year under review, the Group has implemented cost-cutting, improved production flow and scheduling, and reduced production wastages. The apparel division in Cambodia, China and Malaysia strived for continuous improvement in production efficiencies, to prepare for higher sales in line with the recovery in global economy.

Non-Apparel Division

The non-apparel division continued to perform satisfactorily with consistent profit. The labelling business has expanded its capacity to secure higher sales in the central and southern regions of Malaysia. The packaging business in China has also recorded higher sales in line with the launching of new products and expansion of its customer base.

OUTLOOK

Going forward, the Board will continue to focus on improving the apparel division's production and operational efficiencies, to improve its profitability. The Board will also focus on building the labelling business and explore other synergistic business opportunities.

Chairman's Statement

Directors' Report

OTHER STATUTORY INFORMATION

- (a) Before the income statements and balance sheets of the Group and of the Company were made out, the directors took reasonable steps:
 - (i) to ascertain that proper action had been taken in relation to the writing off of bad debts and the making of provision for doubtful debts and satisfied themselves that all known bad debts had been written off and that adequate provision had been made for doubtful debts; and
 - (ii) to ensure that any current assets which were unlikely to realise their values as shown in the accounting records in the ordinary course of business had been written down to an amount which they might be expected so to realise.
- (b) At the date of this report, the directors are not aware of any circumstances which would render:
 - (i) the amount written off for bad debts or the amount of the provision for doubtful debts in the financial statements of the Group and of the Company inadequate to any substantial extent; and
 - (ii) the values attributed to the current assets in the financial statements of the Group and of the Company misleading.
- (c) At the date of this report, the directors are not aware of any circumstances which have arisen which would render adherence to the existing method of valuation of assets or liabilities of the Group and of the Company misleading or inappropriate.
- (d) At the date of this report, the directors are not aware of any circumstances not otherwise dealt with in this report or financial statements of the Group and of the Company which would render any amount stated in the financial statements misleading.
- (e) At the date of this report, there does not exist:
 - (i) any charge on the assets of the Group or of the Company which has arisen since the end of the financial year which secures the liabilities of any other person; or
 - (ii) any contingent liability of the Group or of the Company which has arisen since the end of the financial year.
- (f) In the opinion of the directors:
 - (i) no contingent or other liability has become enforceable or is likely to become enforceable within the period of twelve months after the end of the financial year which will or may affect the ability of the Group or of the Company to meet their obligations when they fall due; and
 - (ii) no item, transaction or event of a material and unusual nature has arisen in the interval between the end of the financial year and the date of this report which is likely to affect substantially the results of the operations of the Group or of the Company for the financial year in which this report is made.

Independent Auditors' Report To the Members of PCCS Group Berhad

REPORT ON THE FINANCIAL STATEMENTS

We have audited the financial statements of PCCS Group Berhad, which comprise the balance sheets as at 31 March 2010 of the Group and of the Company, and the income statements, statements of changes in equity and cash flow statements of the Group and of the Company for the year then ended, and a summary of significant accounting policies and other explanatory notes, as set out on pages 37 to 89.

Directors' responsibility for the financial statements

The directors of the Company are responsible for the preparation and fair presentation of these financial statements in accordance with Financial Reporting Standards and the Companies Act, 1965 in Malaysia. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditors' responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with approved standards on auditing in Malaysia. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements have been properly drawn up in accordance with Financial Reporting Standards and the Companies Act, 1965 in Malaysia so as to give a true and fair view of the financial position of the Group and of the Company as at 31 March 2010 and of their financial performance and cash flows of the Group and of the Company for the year then ended.

Independent Auditors' Report To the Members of PCCS Group Berhad

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

In accordance with the requirements of the Companies Act, 1965 in Malaysia, we also report the following:

- (a) In our opinion, the accounting and other records and the registers required by the Act to be kept by the Company and its subsidiaries of which we have acted as auditors have been properly kept in accordance with the provisions of the Act.
- (b) We have considered the financial statements and the auditors' reports of all the subsidiaries of which we have not acted as auditors, which are indicated in Note 14 to the financial statements.
- (c) We are satisfied that the financial statements of the subsidiaries that have been consolidated with the financial statements of the Company are in form and content appropriate and proper for the purposes of the preparation of the consolidated financial statements and we have received satisfactory information and explanations required by us for those purposes.
- (d) The auditors' reports on the financial statements of the subsidiaries were not subject to any qualification material to the consolidated financial statements and did not include any comment required to be made under Section 174(3) of the Act.

OTHER MATTERS

This report is made solely to the members of the Company, as a body, in accordance with Section 174 of the Companies Act, 1965 in Malaysia and for no other purpose. We do not assume responsibility to any other person for the content of this report.

Notes to the Financial Statements

31 March 2010

1. CORPORATE INFORMATION

The Company is a public limited liability company, incorporated and domiciled in Malaysia and is listed on the Main Market of Bursa Malaysia Securities Berhad. The principal place of business of the Company is located at PLO 10, Kawasan Perindustrian Parit Raja, 86400 Batu Pahat, Johor.

The principal activities of the Company are investment holding and provision of management services. The principal activities of the subsidiaries are described in Note 14. There have been no significant changes in the nature of the principal activities during the financial year.

The financial statements were authorised for issue by the Board of Directors in accordance with a resolution of the directors on 19 July 2010.

2. SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of preparation

The financial statements comply with the provisions of the Companies Act, 1965 and applicable Financial Reporting Standards in Malaysia ("FRSs").

The financial statements of the Group and of the Company have also been prepared under the historical cost basis. The financial statements are presented in Ringgit Malaysia (RM) and all values are rounded to nearest thousand (RM'000) except when otherwise indicated.

2.2 Summary of significant accounting policies

(a) Subsidiaries and basis of consolidation

(i) Subsidiaries

Subsidiaries are entities over which the Group has the ability to control the financial and operating policies so as to obtain benefits from their activities. The existence and effect of potential voting rights that are currently exercisable or convertible are considered when assessing whether the Group has such power over another entity.

In the Company's separate financial statements, investments in subsidiaries are stated at cost less impairment losses. On disposal of such investments, the difference between net disposal proceeds and their carrying amounts is included in profit or loss.

(ii) Basis of consolidation

The consolidated financial statements comprise the financial statements of the Company and its subsidiaries as at the balance sheet date. The financial statements of the subsidiaries are prepared for the same reporting date as the Company.

Subsidiaries are consolidated from the date of acquisition, being the date on which the Group obtains control, and continue to be consolidated until the date that such control ceases. In preparing the consolidated financial statements, intragroup balances, transactions and unrealised gains or losses are eliminated in full. Uniform accounting policies are adopted in the consolidated financial statements for like transactions and events in similar circumstances.

2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

2.2 Summary of significant accounting policies (Cont'd)

(a) Subsidiaries and basis of consolidation (Cont'd)

(ii) Basis of consolidation (Cont'd)

Acquisitions of subsidiaries are accounted for using the purchase method. The purchase method of accounting involves allocating the cost of the acquisition to the fair value of the assets acquired and liabilities and contingent liabilities assumed at the date of acquisition. The cost of an acquisition is measured as the aggregate of the fair values, at the date of exchange, of the assets given, liabilities incurred or assumed, and equity instruments issued, plus any costs directly attributable to the acquisition.

Any excess of the cost of the acquisition over the Group's interest in the net fair value of the identifiable assets, liabilities and contingent liabilities represents goodwill. Any excess of the Group's interest in the net fair value of the identifiable assets, liabilities and contingent liabilities over the cost of acquisition is recognised immediately in profit or loss.

Acquisition of subsidiaries which meet the criteria of merger are accounted for using merger accounting principles. When the merger method is used, the cost of investment in the Company's book is recorded at the fair value of shares issued and the difference between the carrying value of the investment and the nominal value of shares acquired is treated as merger reserve or merger deficit. The results of the companies being merged are included as if the merger had been effected throughout the current and previous financial years.

The difference between the fair value of shares of the Company issued as consideration and the nominal value of the shares acquired has been classified as a merger deficit and set off against the retained profits, share premium and revaluation reserve of the subsidiary companies as at the effective date of the merger.

Minority interests represent the portion of profit or loss and net assets in subsidiaries not held by the Group. It is measured at the minorities' share of the fair value of the subsidiaries' identifiable assets and liabilities at the acquisition date and the minorities' share of changes in the subsidiaries' equity since then.

(b) Goodwill

Goodwill acquired in a business combination is initially measured at cost being the excess of the cost of business combination over the Group's interest in the net fair value of the identifiable assets, liabilities and contingent liabilities. Following the initial recognition, goodwill is measured at cost less any accumulated impairment losses. Goodwill is not amortised but instead, it is reviewed for impairment, annually or more frequently if events or changes in circumstances indicate that the carrying value may be impaired. Gains and losses on the disposal of an entity include the carrying amount of goodwill relating to the entity sold.

2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

2.2 Summary of significant accounting policies (Cont'd)

(c) Property, plant and equipment and depreciation

All items of property, plant and equipment are initially recorded at cost. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised. All other repairs and maintenance are charged to the income statement during the financial period in which they are incurred.

Subsequent to recognition, property, plant and equipment are stated at cost less accumulated depreciation and any accumulated impairment losses.

Freehold land has an unlimited useful life and therefore is not depreciated. Capital work-in-progress are also not depreciated as these assets are not available for use. Depreciation of other property, plant and equipment is provided for on a straight-line basis to write off the cost of each asset to its residual value over the estimated useful life at the following annual rates:

Buildings	2% to 5%
Plant and machinery	10%
Air conditioners	10%
Factory equipment	10%
Electrical installation	10%
Renovation	10%
Furniture, fittings and office equipment	10% to 20%
Motor vehicles	20%

The residual values, useful life and depreciation method are reviewed at each financial year-end to ensure that the amount, method and period of depreciation are consistent with previous estimates and the expected pattern of consumption of the future economic benefits embodied in the items of property, plant and equipment.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. The difference between the net disposal proceeds, if any and the net carrying amount is recognised in profit or loss.

(d) Impairment of non-financial assets

The carrying amounts of assets, other than investment property, non-current assets (or disposal groups) held for sale and inventories are reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amount is estimated to determine the amount of impairment loss.

For goodwill, that have an indefinite useful life, the recoverable amount is estimated at each balance sheet date or more frequently when indicators of impairment are identified.

2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

2.2 Summary of significant accounting policies (Cont'd)

(d) Impairment of non-financial assets (Cont'd)

For the purpose of impairment testing of these assets, recoverable amount is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. If this is the case, recoverable amount is determined for the cash-generating unit (CGU) to which the asset belongs to. Goodwill acquired in a business combination is, from the acquisition date, allocated to each of the Group's CGUs, or groups of CGUs, that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the Group are assigned to those units or groups of units.

An asset's recoverable amount is the higher of an asset's or CGU's fair value less costs to sell and its value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. Impairment losses recognised in respect of a CGU or groups of CGUs are allocated first to reduce the carrying amount of any goodwill allocated to those units or groups of units and then, to reduce the carrying amount of the other assets in the unit or groups of units on a pro-rata basis.

An impairment loss is recognised in profit or loss in the period in which it arises.

Impairment loss on goodwill is not reversed in a subsequent period. An impairment loss for an asset other than goodwill is reversed if, and only if, there has been a change in the estimates used to determine the asset's recoverable amount since the last impairment loss was recognised. The carrying amount of an asset other than goodwill is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of amortisation or depreciation) had no impairment loss been recognised for the asset in prior years. A reversal of impairment loss for an asset other than goodwill is recognised in profit or loss.

(e) Investment properties

Investment properties are properties which are held either to earn rental income or for capital appreciation or for both. Such properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and any accumulated impairment losses. The depreciation policy for investment properties are in accordance with that for property, plant and equipment as described in Note 2.2(c).

Investment properties are derecognised when either they have been disposed of or when the investment property is permanently withdrawn from use and no future economic benefit is expected from its disposal. Any gains or losses on the retirement or disposal of an investment property are recognised in profit or loss in the year in which they arise.

2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

2.2 Summary of significant accounting policies (Cont'd)

(f) Inventories

Inventories are stated at lower of cost and net realisable value.

Cost is determined using the first in, first out method. The cost of raw materials comprises costs of purchase. The costs of finished goods and work-in-progress comprise costs of raw materials, direct labour, other direct costs and appropriate proportions of manufacturing overheads based on normal operating capacity.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

(g) Financial instruments

Financial instruments are recognised in the balance sheet when the Group has become a party to the contractual provisions of the instrument.

Financial instruments are classified as liabilities or equity in accordance with the substance of the contractual arrangement. Interest, dividends, gains and losses relating to a financial instrument classified as a liability, are reported as expense or income. Distributions to holders of financial instruments classified as equity are charged directly to equity. Financial instruments are offset when the Group has a legally enforceable right to offset and intends to settle either on a net basis or to realise the asset and settle the liability simultaneously.

(i) Cash and cash equivalents

For the purposes of the cash flow statements, cash and cash equivalents include cash on hand and at bank, deposit at call net of outstanding bank overdrafts.

(ii) Trade receivables

Trade receivables are carried at anticipated realisable values. Bad debts are written off when identified. An estimate is made for doubtful debts based on a review of all outstanding amounts as at the balance sheet date.

(iii) Trade payables

Trade payables are stated at cost which is the fair value of the consideration to be paid in the future for goods and services received.

(iv) Interest-bearing loans and borrowings

All loans and borrowings are initially recognised at the fair value of the consideration received less directly attributable transaction costs. After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using the effective interest method.

2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

2.2 Summary of significant accounting policies (Cont'd)

(g) Financial instruments (Cont'd)

(v) Equity instruments

Ordinary shares are classified as equity. Dividends on ordinary shares are recognised in equity in the period in which they are declared.

The transaction costs of an equity transaction are accounted for as a deduction from equity, net of tax. Equity transaction costs comprise only those incremental external costs directly attributable to the equity transaction which would otherwise have been avoided.

(vi) Derivative financial instruments

Derivative financial instruments are not recognised in the financial statements.

(h) Leases

(i) Classification

A lease is recognised as a finance lease if it transfers substantially to the Group all the risks and rewards incidental to ownership. Leases of land and buildings are classified as operating or finance leases in the same way as leases of other assets and the land and buildings elements of a lease of land and buildings are considered separately for the purpose of lease classification. All leases that do not transfer substantially all the risks and rewards are classified as operating leases, with the following exceptions:

- Property held under operating leases that would otherwise meet the definition of an investment property is classified as an investment property on a property-by-property basis and, if classified as investment property, is accounted for as if held under a finance lease (Note 2.2(e)); and
- Land held for own use under an operating lease, the fair value of which cannot be measured separately from the fair value of a building situated thereon at the inception of the lease, is accounted for as being held under a finance lease, unless the building is also clearly held under an operating lease.

(ii) Finance leases - the Group as lessee

Assets acquired by way of hire purchase or finance leases are stated at an amount equal to the lower of their fair values and the present value of the minimum lease payments at the inception of the leases, less accumulated depreciation and impairment losses. The corresponding liability is included in the balance sheet as borrowings. In calculating the present value of the minimum lease payments, the discount factor used is the interest rate implicit in the lease, when it is practicable to determine; otherwise, the Group's incremental borrowing rate is used. Any initial direct costs are also added to the carrying amount of such assets.

Lease payments are apportioned between the finance costs and the reduction of the outstanding liability. Finance costs, which represent the difference between the total leasing commitments and the fair value of the assets acquired, are recognised in the profit or loss over the term of the relevant lease so as to produce a constant periodic rate of charge on the remaining balance of the obligations for each accounting period.

The depreciation policy for leased assets is in accordance with that for depreciable property, plant and equipment as described in Note 2.2(c).

2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

2.2 Summary of significant accounting policies (Cont'd)

(h) Leases (Cont'd)

(iii) Operating leases - the Group as lessee

Operating lease payments are recognised as an expense on a straight-line basis over the term of the relevant lease. The aggregate benefit of incentives provided by the lessor is recognised as a reduction of rental expense over the lease term on a straight-line basis.

In the case of a lease of land and buildings, the minimum lease payments or the up-front payments made are allocated, whenever necessary, between the land and the buildings elements in proportion to the relative fair values for leasehold interests in the land element and buildings element of the lease at the inception of the lease. The up-front payment represents prepaid lease payments and are amortised on a straight-line basis over the lease term.

(iv) Operating leases - the Group as lessor

Assets leased out under operating leases are presented on the balance sheets according to the nature of the assets. Rental income from operating leases is recognised on a straight-line basis over the term of the relevant lease. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised on a straight-line basis over the lease term.

(i) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are recognised in profit or loss in period in which they are incurred.

(j) Income tax

Income tax on the profit or loss for the year comprises current and deferred tax. Current tax is the expected amount of income taxes payable in respect of the taxable profit for the year and is measured using the tax rates that have been enacted at the balance sheet date.

Deferred tax is provided for, using the liability method. In principle, deferred tax liabilities are recognised for all taxable temporary differences and deferred tax assets are recognised for all deductible temporary differences, unused tax losses and unused tax credits to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, unused tax losses and unused tax credits can be utilised. Deferred tax is not recognised if the temporary difference arises from goodwill or from the initial recognition of an asset or liability in a transaction which is not a business combination and at the time of the transaction, affects neither accounting profit nor taxable profit.

Deferred tax is measured at the tax rates that are expected to apply in the period when the asset is realised or the liability is settled, based on tax rates that have been enacted or substantively enacted at the balance sheet date. Deferred tax is recognised as income or an expense and included in the profit or loss for the period, except when it arises from a transaction which is recognised directly in equity, in which case the deferred tax is also recognised directly in equity, or when it arises from a business combination that is an acquisition, in which case the deferred tax is included in the resulting goodwill or the amount of any excess of the acquirer's interest in the net fair value of the acquiree's identifiable assets, liabilities and contingent liabilities over the cost of the combination.

2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

2.2 Summary of significant accounting policies (Cont'd)

(k) Provisions

Provisions are recognised when the Group has a present obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate of the amount can be made. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. Where the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risks specific to the liability. Where discounting is used, the increase in the provision due to the passage of time is recognised as finance cost.

(I) Employee benefits

(i) Short term benefits

Wages, salaries, bonuses and social security contributions are recognised as an expense in the year in which the associated services are rendered by employees. Short term accumulating compensated absences such as paid annual leave are recognised when services are rendered by employees that increase their entitlement to future compensated absences, and short term non-accumulating compensated absences such as sick leave are recognised when the absences occur.

(ii) Defined contribution plans

Defined contribution plans are post-employment benefit plans under which the Group pays fixed contributions into separate entities or funds and will have no legal or constructive obligation to pay further contributions if any of the funds do not hold sufficient assets to pay all employee benefits relating to employee services in the current and preceding financial years. Such contributions are recognised as an expense in the profit or loss as incurred. As required by law, companies in Malaysia make such contributions to the Employees Provident Fund ("EPF"). Some of the Group's foreign subsidiaries also make contributions to their respective countries' statutory pension schemes.

(m) Foreign currencies

(i) Functional and presentation currency

The individual financial statements of each entity in the Group are measured using the currency of the primary economic environment in which the entity operates ("the functional currency"). The consolidated financial statements are presented in Ringgit Malaysia (RM), which is also the Company's functional currency.

(ii) Foreign currency transactions

In preparing the financial statements of the individual entities, transactions in currencies other than the entity's functional currency (foreign currencies) are recorded in the functional currencies using the exchange rates prevailing at the dates of the transactions. At each balance sheet date, monetary items denominated in foreign currencies are translated at the rates prevailing on the balance sheet date. Non-monetary items carried at fair value that are denominated in foreign currencies are translated at the rates prevailing on the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not translated.

2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

2.2 Summary of significant accounting policies (Cont'd)

(m) Foreign currencies (Cont'd)

(ii) Foreign currency transactions (Cont'd)

Exchange differences arising on the settlement of monetary items, and on the translation of monetary items, are included in profit or loss for the period except for exchange differences arising on monetary items that form part of the Group's net investment in foreign operation. Exchange differences arising on monetary items that form part of the Group's net investment in foreign operation, where that monetary item is denominated in either the functional currency of the reporting entity or the foreign operation, are initially taken directly to the foreign currency translation reserve within equity until the disposal of the foreign operations, at which time they are recognised in profit or loss.

Exchange differences arising on monetary items that form part of the Group's net investment in foreign operation, where that monetary item is denominated in a currency other than the functional currency of either the reporting entity or the foreign operation, are recognised in profit or loss for the period. Exchange differences arising on monetary items that form part of the Company's net investment in foreign operation, regardless of the currency of the monetary item, are recognised in profit or loss in the Company's financial statements or the individual financial statements of the foreign operation, as appropriate.

Exchange differences arising on the translation of non-monetary items carried at fair value are included in profit or loss for the period except for the differences arising on the translation of non-monetary items in respect of which gains and losses are recognised directly in equity. Exchange differences arising from such non-monetary items are also recognised directly in equity.

(iii) Foreign operations

The results and financial position of foreign operations that have a functional currency different from the presentation currency (RM) of the consolidated financial statements are translated into RM as follows:

- Assets and liabilities for each balance sheet presented are translated at the closing rate prevailing at the balance sheet date;
- Income and expenses for each income statement are translated at average exchange rates for the year, which approximates the exchange rates at the dates of the transactions; and
- All resulting exchange differences are taken to the foreign currency translation reserve within equity.

(n) Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be measured reliably. The following specific recognition criteria must also be met before revenue is recognised:

(i) Sale of goods

Revenue is recognised net of sales taxes and discounts upon transfer of significant risks and rewards of ownership to the buyer. Revenue is not recognised to the extent where there are significant uncertainties regarding recovery of the consideration due, associated costs or the possible return of goods.

2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

2.2 Summary of significant accounting policies (Cont'd)

(n) Revenue recognition (Cont'd)

(ii) Interest income

Interest is recognised on an accrual basis using the effective interest method.

(iii) Dividend income

Dividend income is recognised when the Group's right to receive payment is established.

(iv) Rental income

Rental income from investment property is recognised on a straight-line basis over the term of the lease. The aggregate cost of incentives provided to lessees, if any, is recognised as a reduction of rental income over the lease term on a straight-line basis.

(v) Management fees

Management fees are recognised when services are rendered.

(o) Non-current assets (or Disposal Groups) held for sale and discontinued operation

Non-current assets (or disposal groups) are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use. This condition is regarded as met only when the sale is highly probable and the asset (or disposal group) is available for immediate sale in its present condition subject only to terms that are usual and customary.

Immediately before classification as held for sale, the measurement of the non-current assets (or all the assets and liabilities in a disposal group) is brought up-to-date in accordance with applicable FRSs. Then, on initial classification as held for sale, non-current assets or disposal groups (other than investment properties, deferred tax assets, employee benefits assets, financial assets and inventories) are measured in accordance with FRS 5 that is at the lower of carrying amount and fair value less costs to sell. Any differences are included in profit or loss.

A component of the Group is classified as a discontinued operation when the criteria to be classified as held for sale have been met or it has been disposed of and such a component represents a separate major line of business or geographical area of operations, is part of a single co-ordinated major line of business or geographical area of operations or is a subsidiary acquired exclusively with a view to resale.

2.3 Standards and interpretations issued but not yet effective (Cont'd)

Effective for financial periods beginning on or after 1 July 2010:

FRS 1: First-time Adoption of Financial Reporting Standards

FRS 3: Business Combinations (revised)

FRS 127: Consolidated and Separate Financial Statements (amended)

Amendments to FRS 2: Share-based Payments

Effective for financial periods beginning on or after 1 January 2011:

Amendments to FRS 1: Limited Exemption from Comparative FRS 7 Disclosure for First-time Adopters Amendments to FRS 7: Improving Disclosures about Financial Instruments

The Group and the Company plan to adopt the above pronouncements when they become effective in the respective financial period. Unless otherwise described below, these pronouncements are expected to have no significant impact to the financial statements of the Group and the Company upon their initial implication:

FRS 3: Business Combinations (revised) and FRS 127: Consolidated and Separate Financial Statements (amended)

FRS 3 (revised) introduces a number of changes to the accounting for business combinations occurring on or after 1 July 2010. These include changes that affect the valuation of non-controlling interest, the accounting for transaction costs, the initial recognition and subsequent measurement of a contingent consideration and business combinations achieved in stages. These changes will impact the amount of goodwill recognised, the reported results in the period that an acquisition occurs and future reported results.

FRS 127 (amended) requires that a change in the ownership interest of a subsidiary (without loss of control) is accounted for as a transaction with owners in their capacity as owners and to be recorded in equity. Therefore, such transaction will no longer give rise to goodwill, nor will it give rise to a gain or loss. Furthermore, the amended Standard changes the accounting for losses incurred by the subsidiary as well as loss of control of a subsidiary.

The changes by FRS 3 (revised) and FRS127 (amended) will be applied prospectively and only affect future acquisition or loss of control of subsidiaries and transactions with non-controlling interests.

FRS 8: Operating Segment

FRS 8 replaces FRS 114₂₀₀₄: Segment Reporting and requires a 'management approach', under which segment information is presented on a similar basis to that used for internal reporting purposes. As a result, the Group's external segmental reporting will be based on the internal reporting to the "chief operating decision maker", who makes decisions on the allocation of resources and assesses the performance of the reportable segments. As this is a disclosure standard, there will be no impact on the financial position or results of the Group.

2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

2.3 Standards and interpretations issued but not yet effective (Cont'd)

FRS 101: Presentation of Financial Statements (revised)

The revised FRS 101 separates owner and non-owner changes in equity. Therefore, the consolidated statement of changes in equity will now include only details of transactions with owners. All non-owner changes in equity are presented as a single line labelled as total comprehensive income. The Standard also introduces the statement of comprehensive income: presenting all items of income and expense recognised in the income statement, together with all other items of recognised income and expense, either in one single statement, or in two linked statements. The Group is currently evaluating the format to adopt. In addition, a statement of financial position is required at the beginning of the earliest comparative period following a change in accounting policy, the correction of an error or the reclassification of items in the financial statements. This revised FRS does not have any impact on the financial position and results of the Group and the Company.

FRS 139: Financial Instruments: Recognition and Measurement, FRS 7: Financial Instruments: Disclosures and Amendments to FRS 139: Financial Instruments: Recognition and Measurement, FRS 7: Financial Instruments: Disclosures

The new Standard on FRS 139: Financial Instruments: Recognition and Measurement establishes principles for recognising and measuring financial assets, financial liabilities and some contracts to buy and sell non-financial items. Requirements for presenting information about financial instruments are in FRS 132: Financial Instruments: Presentation and the requirements for disclosing information about financial instruments are in FRS 7: Financial Instruments: Disclosures.

FRS 7: Financial Instruments: Disclosures is a new Standard that requires new disclosures in relation to financial instruments. The Standard is considered to result in increased disclosures, both quantitative and qualitative of the Group's and Company's exposure to risks, enhanced disclosure regarding components of the Group's and Company's financial position and performance, and possible changes to the way of presenting certain items in the financial statements.

In accordance with the respective transitional provisions, the Group and the Company are exempted from disclosing the possible impact to the financial statements upon the initial application.

Amendment to FRSs 'Improvements to FRSs (2009)'

FRS 117 Leases: Clarifies on the classification of leases of land and buildings. The Group is still assessing the potential implication as a result of the reclassification of its unexpired land leases as operating or finance leases. For those land element held under operating leases that are required to be reclassified as finance leases, the Group shall recognise a corresponding asset and liability in the financial statements which will be applied retrospectively upon initial application. However, in accordance with the transitional provision, the Group is permitted to reassess lease classification on the basis of the facts and circumstances existing on the date it adopts the amendments; and recognise the asset and liability related to a land lease newly classified as a finance lease at their fair values on that date; any difference between those fair values is recognised in retained earnings. The Group is currently in the process of assessing the impact of this amendment.

2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

2.4 Significant accounting estimates and judgements

(a) Critical judgements made in applying accounting policies

The following are the judgements made by management in the process of applying the Group's accounting policies that have the most significant effect on the amounts recognised in the financial statements.

Classification between investment properties and property, plant and equipment

The Group has developed certain criteria based on FRS 140 in making judgement whether a property qualifies as an investment property. Investment property is a property held to earn rentals or for capital appreciation or both.

Some properties comprise a portion that is held to earn rentals or for capital appreciation and another portion that is held for use in the production or supply of goods or services or for administrative purposes. If these portions could be sold separately (or leased out separately under a finance lease), the Group would account for the portions separately. If the portions could not be sold separately, the property is an investment property only if an insignificant portion is held for use in the production or supply of goods or services or for administrative purposes. Judgement is made on an individual property basis to determine whether ancillary services are so significant that a property does not qualify as investment property.

(b) Key sources of estimation uncertainty

(i) Depreciation of plant and machinery

The cost of plant and machinery is depreciated on a straight-line basis over the assets' useful lives. Management estimates the useful lives of these plant and machinery to be 10 years. These are common life expectancies applied in the garment and textiles industry. Changes in the expected level of usage and technological developments could impact the economic useful lives and the residual values of these assets, therefore future depreciation charges could be revised.

(ii) Impairment of property, plant and equipment

The Group carried out the impairment test based on a variety of estimation including the value-in-use of the CGU to which the property, plant and equipment are allocated. Estimating the value-in-use requires the Group to make an estimate of the expected future cash flows from CGU and also to choose a suitable discount rate in order to calculate the present value of those cash flows. The carrying amounts of property, plant and equipment of the Group as at 31 March 2010 were RM92,783,000 (2009: RM164,902,000).

(iii) Provision for doubtful debts

The Group makes provision for doubtful debts based on management's assessment of the recoverability of receivables. Provisions are made where events and changes in circumstances indicate that the carrying amounts may not recoverable. In assessing the extent of irrecoverable debts, the management has given due consideration to all pertinent information relating to the ability of the debtors to settle the debts. Where the expectation is different from the original estimate, such difference will impact the carrying amount of the receivables.

10. EARNINGS/(LOSS) PER SHARE

Basic earnings/(loss) per share is calculated by dividing profit/(loss) for the year attributable to ordinary equity holders of the Company by the weighted average number of ordinary shares in issue during the financial year.

	Group	
	2010	2009
	RM'000	RM'000
Attributable to ordinary equity holders of the Company:		
Profit/(loss) from continuing operations	3,010	(19,589)
Profit from discontinued operations	4,814	2,397
Profit/(loss) for the year	7,824	(17,192)
Weighted average number of ordinary shares in issue ('000)	60,012	60,012
Basic earnings per share (sen):		
Profit/(loss) from continuing operations	5.0	(33.0)
Profit from discontinued operations	8.0	4.3
Profit/(loss) for the year	13.0	(28.7)

There is no diluted earnings/(loss) per share as the Company does not have any dilutive potential ordinary shares. Accordingly, the diluted earnings/(loss) per share for the current year is presented as equal to basic earnings/(loss) per share.

29. RETAINED EARNINGS

Prior to the year of assessment 2008, Malaysian companies adopt the full imputation system. In accordance with the Finance Act 2007 which was gazetted on 28 December 2007, companies shall not be entitled to deduct tax on dividend paid, credited or distributed to its shareholders, and such dividends will be exempted from tax in the hands of the shareholders ("single tier system"). However, there is a transitional period of six years, expiring on 31 December 2013, to allow companies to pay franked dividends to their shareholders under limited circumstances. Companies also have an irrevocable option to disregard the 108 balance and opt to pay dividends under the single tier system. The change in the tax legislation also provides for the 108 balance to be locked-in as at 31 December 2007 in accordance with Section 39 of the Finance Act 2007.

The Company did not elect for the irrevocable option to disregard the 108 balance. Accordingly, during the transitional period, the Company may utilise the credit in the 108 balance as at 31 March 2010 to distribute cash dividend payments to ordinary shareholdings as defined under the Finance Act 2007. As at 31 March 2010, the Company has sufficient tax credit in the 108 balance to pay franked dividends amounting to RM5,848,000 (2009: RM5,848,000) out of its retained earnings. If the balance of the retained earnings were to be distributed as dividend, the Company may distribute such dividends under the single tier system.

33. SIGNIFICANT EVENTS

- (a) On 6 November 2009, the Company incorporated a wholly-owned subsidiary company in Hong Kong under the name of Roots Investment Holding Private Limited ("ROOTS") via the subscription of 10,000 ordinary shares of HKD1.00 each at par value, representing 100% of the issued and paid up share capital of ROOTS.
- (b) On 11 January 2010, the Company entered into a Share Sale Agreement for the disposal of 100,000 ordinary shares of RM1.00 each in PCCS Mediserve Sdn. Bhd., representing 100% of the total issued and paid up share capital of PCCS Mediserve Sdn. Bhd. at a consideration of RM2.00. Consequent upon the disposal, PCCS Mediserve Sdn. Bhd. would cease to be a wholly-owned sub-subsidiary of PCCS Group Berhad.

34. SUBSEQUENT EVENTS

On 2 April 2010, the Company entered into a share sale agreement for the disposal of 10,000 ordinary shares of HKD1.00 each in Roots Investment Holding Private Limited ("ROOTS"), representing the entire equity interest in ROOTS for an indicative disposal consideration of RMB166 million (equivalent to approximately RM81.34 million). Prior to the fulfillment of all the conditions precedent in the share sale agreement, ROOTS became the holding company of China Roots Packaging Pte. Ltd. ("CRP") on 26 April 2010. Consequent upon the disposal, CRP ceased to be a whollyowned subsidiary of PCCS Group Berhad. The disposal was approved by the shareholders on 31 May 2010 and was completed on 1 July 2010.

35. FINANCIAL INSTRUMENTS

(a) Financial risk management objectives and policies

The Group's financial risk management policy seeks to ensure that adequate financial resources are available for the development of the Group's businesses whilst managing its interest rate risk, foreign currency risk, liquidity risk and credit risks. The Group operates within clearly defined guidelines that are approved by the Board and the Group's policy is to not engage in speculative transactions.

(b) Interest rate risk

Cash flow interest rate risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Fair value interest rate risk is the risk that the value of a financial instrument will fluctuate due to changes in market interest rates. As the Group has no significant interest-bearing financial assets, the Group's income and operating cash flows are substantially independent of changes in market interest rates. The Group's interest-bearing financial assets are mainly short term in nature and have been mostly placed in fixed deposits.

The Group's interest rate risk arises primarily from interest-bearing borrowings. Borrowings at floating rates expose the Group to cash flow interest rate risk. Borrowings obtained at fixed rates expose the Group to fair value interest rate risk. The Group manages its interest rate exposure by maintaining a mix of fixed and floating rate borrowings.

The information on maturity dates and effective interest rates of financial assets and liabilities are disclosed in their respective notes.

(c) Foreign currency risk

The Group is exposed to transactional currency risk primarily through sales and purchases that are denominated in a currency other than the functional currency of the operations to which they relate. The currencies giving rise to this risk are primarily United States Dollars, Singapore Dollars, Hong Kong Dollars, Euro, Cambodia Reils and Chinese Renminbi. Foreign exchange exposures in transactional currencies other than functional currencies of the operating entities are kept to an acceptable level. Material foreign currency transactions exposures are hedged, mainly with the derivative financial instruments such as forward foreign exchange contracts.

35. FINANCIAL INSTRUMENTS (CONT'D)

(c) Foreign currency risk (Cont'd)

The net unhedged financial assets and financial liabilities of the Group that are not denominated in their functional currencies are as follows:

Net financial assets/(liabilities) held in non-functional currencies

	G	iroup
	2010	2009
	RM'000	RM'000
Net unrealised losses	-	(7,751)

35. FINANCIAL INSTRUMENTS (CONT'D)

(d) Liquidity risk

The Group manages its debt maturity profile, operating cash flows and the availability of funding so as to ensure that refinancing, repayment and funding needs are met. As part of its overall liquidity management, the Group maintains sufficient levels of cash or cash convertible investments to meet its working capital requirements. In addition, the Group strives to maintain available banking facilities at a reasonable level to its overall debt position. As far as possible, the Group raises committed funding from financial institutions and balances its portfolio with some short term funding so as to achieve overall cost effectiveness.

(e) Credit risk

The Group's credit risk is primarily attributable to trade receivables. The Group trades only with recognised and creditworthy third parties. It is the Group's policy that all customers who wish to trade on credit terms are subject to credit verification procedures. In addition, receivable balances are monitored on an ongoing basis and the Group's exposure to bad debts is not significant.

The credit risk of the Group's other financial assets, which comprise cash and cash equivalents and non-current investments, arises from default of the counterparty, with a maximum exposure equal to the carrying amount of these financial assets.

The Group does not have any significant exposure to any individual customer or counterparty except for the amounts due from a debtor as disclosed in Note 16. The directors believe that this will not create significant problems for the Group in view of the length of relationship and because the Group works closely with its customers to provide customer satisfaction through timely delivery and the provision of high quality products and services at competitive cost.

(f) Fair values

The carrying amounts of financial assets and liabilities of the Group at the balance sheet date approximated their fair values in view of their relatively short maturity periods except for the followings:

		Gr	Group		
	Note	Carrying Amount RM'000	Fair Value RM'000		
As at 31 March 2010:					
Hire purchase and finance lease liabilities	22	4,343	5,855		
Forward foreign exchange contracts	35(c)	-	-		
As at 31 March 2009:					
Hire purchase and finance lease liabilities	22	9,035	9,888		
Forward foreign exchange contracts	35(c)	-	8,580		

The fair value of a forward foreign currency contract is estimated based on the amount that would be payable or receivable on termination of the outstanding position arising and is determined by obtaining quotes from brokers.

36. SEGMENTAL INFORMATION

(a) Primary reporting segment - Geographical segments

The Group operates in three principal geographical areas of the world and is primarily involved in textiles industry.

The directors are of the opinion that all inter-segment transactions have been entered into in the normal course of business and have been established on negotiated and mutually agreed basis.
